

Become a Member of Telluride Academy

Like everything else in this corner of the world, providing programming that enhances the quality of life for children from all walks of life in the Telluride region is a costly endeavor. We depend on the generosity of the many families and friends of the Academy, as well as local grantors, to help us bridge that gap.

Each year we invite Academy Families to become members of the Telluride Academy. We accept new members or reinstate past membership privileges all year long.

Don't forget, membership comes with rewards. You'll be among the first to receive a summer brochure and all members will be able to participate in priority enrollment beginning in mid January - check our Website at www.tellurideacademy.com for updates.

The Telluride Academy is a 501(c)(3) membership organization as defined by the Internal Revenue Code. Contributions are an immediate investment in the Telluride Academy. These contributions help fund curriculum development, facilities, equipment, staff training and wages, administration and tuition assistance

Remember, all contributions, no matter what the size, help make a difference. The size of contributions is less important than the act of giving and as the Telluride Academy is a non-profit charitable organization, all donations are tax-deductible.

Levels of Membership

Bear Creek (\$20) Jud Wiebe (\$50) Ajax (\$100)

Uncompahgre (\$250) Sneffels (\$500) Wilson (\$1000+)
